GURU NANAK DEV UNIVERSITY

Guru Nanak Dev University was established on November 24, 1969 to mark the birth Quincentenary of Sri Guru Nanak Dev Ji, the founder of Sikhism. The University upholds the teachings and values of the Guru, the apostle of universal brotherhood, truthfulness, non-violence, compassion, tolerance, harmony, humanity, who strictly observed moral and ethical values in daily life.

Ever since its foundation the endeavour of the University has always been to meet the objectives enshrined in the Guru Nanak Dev University Act 1969, which emphasize that the new University would make provisions for imparting education and promoting research in the humanities, learned professions, sciences, especially of applied nature and technology. Hence, it has been promoting education in such fields as Basic and Applied Sciences, Arts, Management, Information Technology, Media, Industrial Technology, Environment, Planning and Architecture Studies. In addition, research on the life and teachings of Guru Nanak Dev ji, promotion of Punjabi language and spreading education among educationally backward classes and communities are its other commitments.

The UGC conferred this University with status of "University with Potential for Excellence" in 2012. The National Assessment and Accreditation Council (NAAC), Bangalore in December 2022 re-accredited the University in 4th cycle with **CGPA of 3.85 out of 4-pointscale at "A++" grade** highest level, as per accreditation framework of NAAC. Earlier, it had been accredited at "A" grade level in 2000, reaccredited in 2nd cycle 2007 with CGPA of 3.50/4.00 then reaccredited in 3rd cycle in 2014 with CGPA 3.51/4.00.

The current H index of the university is 144 indicating the quality of research publications at national and international level.

Guru Nanak Dev University, Amritsar has become the only University of Punjab to get the elite "Category-1" status by the University Grants Commission (UGC), giving autonomy to open new Departments, schools, off-campus facilities and starts new schools and distance learning programmes, besides the freedom to hire foreign faculty without the UGC's approval.

With the motto of the University as engraved on its emblem 'Guru's wisdom illumines all', the University has been leaving no stone unturned to meet the aspirations and expectations of the society. Spread over area of 500 acres towards the west of the city, Guru Nanak Dev University presents a picture of lush green landscape, modern architecture and sustainable environment. The University today boasts of 45 teaching Departments at the Campus, two regional campuses and 170 affiliated, university and constituent colleges, many of which are located in the rural areas so as to make quality Higher Education accessible to the rural masses. All the programmes of the university compile the guidelines of New Education Policy 2020.

More than twenty thousand students, an overwhelming majority of them being women, are enrolled in various Departments at University Campus, Regional Campuses and University-Constituent Colleges. Online admission, online Counselling, online re-evaluation, introduction of Credit Based Evaluation & Grading System etc. are a few hallmarks of the University. All the results have been computerized and OMR (Optical Magnetic Recognition) system is being used to bring in more efficiency and transparency. It is the first University in the region to have computerized its examination and registration system. The students now have an all-time access to their results through SMS service.

Academically also, the University has carved a niche for itself in the field of Higher Education in the country. Our university is recognized as one of the leading institutions in North India in the domain of Arts, Humanities, Science and Technology. Many coveted projects from the apex bodies like MHRD, DST, CSIR, BARC and other organizations worth crores of rupees have been awarded to our faculty members. One of the four Nodal Calibration Centres established by Bhabha Atomic Research Centre is set up at our campus. The Centre of Emerging Life Sciences equipped with the state-of-the-art scientific instrument's worth crores of rupees, a well-maintained Botanical Garden, Department of Sports Medicine & Physiotherapy are a few to mention. A well-equipped modern computer lab with the help of TCS has been established to strengthen the University infrastructure and to prepare students for employment. Presently, a Centre with Potential for Excellence in Life Sciences and a Centre for Advanced Study in Chemistry granted by UGC are working successfully in the University. A Centre for Entrepreneurship and Innovation is being set up in the university under the aegis of *Rashtriya Uchatar Shiksha Abhiyan* to provide skill-oriented training and incubation facilities.

The fact that the University has been the winner of the coveted Maulana Abdul Kalam Azad Trophy, the highest Sports award for a University in the country, for a record number of 25 times, speaks volumes about its supremacy in the field of Sports. An Astro Turf for hockey, a swimming pool of International Standards, a velodrome, a gymnasium hall, a shooting range and many other state-of-the art Sports facilities are the prized possessions of the University. The Lifelong Learning Department of the University is successfully catering to the male and female folk of the region to make them self-dependent by offering various skill development programmes.

The track record of employment of our students by big business houses and multinational companies has been very satisfactory. Our students of engineering, planning, architecture, management and commerce field are employed by government sector and companies in India and abroad. They are all contributing to the credit worthiness of the University by their hard work and diligence. All these achievements and successes are due to the heart and soul put in by the students, faculty members, and administration of the University.

Vice Chancellor's Message

Guru Nanak Dev University has a long history of achievements in terms of credentials. In the on-going endeavour of nation-building, Guru Nanak Dev University the Category-One University with a 3.85 on 4.00 Scale of NAAC (A++ accredited, highest Grade) highest amongst all Public, Private and Central universities, serves as a resolute advocate for excellence in higher education. One of the hallmarks of Guru Nanak Dev University is our unwavering commitment to academic excellence and innovation. Our faculty members are distinguished scholars and researchers who are at the forefront of their respective fields. The university's research activity is reflected in international university rankings and many awards and honours recognizing the contributions of our academic staff. It is a matter of pride that the H-index has increased to 144 in 2024 from 64 in 2017.

Through a wide array of extracurricular activities, community engagement initiatives, and leadership development programs, we nurture well-rounded individuals who are not only academically proficient but also socially responsible and ethically grounded. Our commitment to student support services, mentorship programs, and experiential learning opportunities has helped cultivate the next generation of leaders, scholars, and global citizens. An Amphi Theatre named 'Golden Expressions' has been constructed to provide a platform to all the students to express themselves. More than 80% students have been placed successfully by 92 various MNC's. GNDU has won MAKA TROPHY for overall excellence in sports for the record number of 25 times. Furthermore, our university boasts state-of-the-art infrastructure, including modern classrooms, well-equipped laboratories, cutting-edge research facilities, libraries, sports complexes, and hostels. Our lush green

campus provides an ideal environment for learning, collaboration, and personal growth, fostering a sense of community and belonging among our students, faculty, and staff.

The Golden Jubilee Centre for Entrepreneurship and Innovation (GJCEI), established at Guru Nanak Dev University as part of RUSA 2.0's Component-4, actively fosters entrepreneurship and innovation to drive economic growth. It boasts a cutting-edge infrastructure currently accommodating nineteen start-ups and overseeing seven innovation-driven projects worth ☐68.91 lakhs. Additionally, within the university, the Centre for Agricultural Research and Innovation (CARI) has been established, aiming to integrate research and education in agriculture, food systems, and the environment. Notably, CARI focuses on cultivating high-value, non-traditional crops like low-chilled apples, bananas, saffron, and elite sweet potato varieties enriched with beta-carotene and anthocyanin.

Despite the challenges, Guru Nanak Dev University has been recognized as one of the leading institutions in India with the establishment of the first ever "MYAS-GNDU Centre for Sports Sciences" outside the Ministry of Youth Affairs and Sports. The departments of Sports Medicine and Life Sciences have been acknowledged as "Centre of Potential for Excellence in a Particular Area", and more than twenty departments of the university have received varied grants under CAS, SAP, DST-FIST, and PURSE. Moreover, the Swachh Campus Ranking of Higher Education Institutions ranks Guru Nanak Dev University as the 2nd cleanest Government Residential Universities. Guru Nanak Dev University has bagged 48th rank in NIRF ranking. It has been awarded "One District one Green Champion" by Mahatma Gandhi National Council of Rural Education (MGNCRE), Department of Higher Education, Ministry of Education, Government of India. Not only has GNDU bagged 7th position amongst the State Funded Universities at the national level according to a survey conducted by The Week–Hansa Research Survey, it has also been ranked among top 10% universities of the World by Centre for World University Ranking (CWUR).

As you embark on your academic journey, we encourage you to seize every opportunity to explore, learn, and grow. Whether it's conducting ground-breaking research, participating in cultural events, engaging in community service, or pursuing your passions and interests, Guru Nanak Dev University offers a multitude of avenues for personal and intellectual development. Together, let us uphold the values of integrity, inclusivity, and excellence that define the ethos of Guru Nanak Dev University and work towards building a brighter future for ourselves and for generations to come.

Dean Academic Affairs's Message

Established in 1969, Guru Nanak Dev University is counted among the premiere institutions of higher education in India and is widely known for its excellence in teaching, research, sports as well as cultural activities. It is an honour to serve this institution as Dean, Academic affairs. In line with the provisions in the Guru Nanak Dev University Act 1969, the University has created provisions to impart education to promote teaching and research in all disciplines including Sciences, engineering and technology, life sciences, arts, social sciences, education, humanities, languages as well as religious studies and sports among others. The University has gained distinction in catering to the education needs of underprivileged society, especially in the rural areas. With 45 different Departments organized in fourteen different faculties, the University has regional campuses in Jalandhar and Gurdaspur, in addition to University colleges at Mukandpur, Jalandhar and Niari. Additionally, University has at least 14 constituent colleges located at different places in Punjab. The University has over 11363 students and more than 295 faculty members teaching different Programmes under the Credit Based Continuous Evaluation (CBCE) and grading system.

The faculty of Guru Nanak Dev University has achieved visibility at national as well as international level, which is attested by the number of awards and distinctions they have received in their respective disciplines. Some of these awards include fellowships of all major societies of science, medicine and other disciplines, medals of national societies, lecture awards and other coveted distinctions in sports. The most recent being the accreditation of the university by the National Assessment and Accreditation Council (NAAC) with highest A++ Grade at a score of 3.85 on 4.00 scale making it one of the best universities of the country. The "Category One" status in the region of Punjab and Chandigarh, recognition as one of the top ten "High Performing State Public Universities" across India, status of "University with Potential for Excellence" by UGC, the second rank amongst the cleanest higher educational institutions in the country in the category of Government Universities by the Ministry of Human Resource Development, Government of India, the increase in the H-index to 144 in 2024 from 64 in 2017, winning the Maulana Abul Kalam Azad Trophy 25 times in 2022-23 etc. represent that Guru Nanak Dev University has always encouraged its students and faculty towards determination, fortitude, resilience and distinction. It is noteworthy that our students have won 3 medals at Shooting World Cup 2022 at Changwon, KOREA.

I am sure, under the leadership of Prof. (Dr.) Jaspal Singh Sandhu, Vice-Chancellor, the University is well poised to achieve more laurels at national and international level.

Associate Dean's Message

The Intellectual hard work of generations has unveiled the excellence of the Guru Nanak Dev University globally. I feel deeply honoured to share that Guru Nanak Dev University has always been an excellent centre of learning for students over the last 55 years. The University Grants Commission (UGC) has awarded it the highest status of 'University with Potential for Excellence' as an acknowledgement to the university's contribution in teaching and cutting edge research of significance. The University is also accredited with highest A++ Grade at a score of 3.85 on 4.00 scale making it one of the best universities of the country. It is ranked among 27% of the universities globally for providing high quality education and affordability especially to the international students. It is the only multi specialty State University of Northern Region to attain such a remarkable accomplishment.

Globalization has invaded every segment resulting in rapid advancement in the Information & Communication technology which has evolved new challenges based on smart infrastructures. The ability to create opportunities through innovation and to provide sustainable smart solutions to the contemporary challenges is the forte of up-coming techno generation. This Campus is opening up new vistas of opportunities by imparting professional education with human & societal values.

The combination of well-designed academic curriculum and teaching pedagogies of highest standards provide a productive teaching-learning process. Moreover, the constantly evolving curriculum, facilitates the students to stay abreast with the current evolutions and updates in every field. The globally acclaimed CGPA system has been adopted by the University in which the examinations are conducted and results are declared in a timely & transparent manner thus empowering the students, who seek higher education in India or abroad and placements in the competitive Sector.

It is pertinent to mention here that over the years Regional Campus Jalandhar has established its identity by

- Creating seamless blend of academics with research
- Imparting interdisciplinary knowledge through inter-departmental courses
- Creating opportunities for experiential learning through internship programs
- Developing state-of-the-art research facilities, and
- Facilitating the holistic development through Guest lectures, Quizzes, Seminars, Faculty Development Programs (FDPs), Cultural, Sports and Placement-Oriented activities

I sincerely hope that with active participation of students, dedicated faculty well versed in their academic domain, nurturing a culture of innovation, diversity and excellence as well as the alumni of the campus transcending geographical boundaries with the firm commitment for Excellency and inclusivity. They will continue to promote mutual respect, impart quality education and brilliance in research of highest standards that will inspire generations to come.

(vii)   Candidates belonging to General and Reserved Categories other than Scheduled Castes/Scheduled Tribes who secure less than 30% marks in the Entrance Test conducted by the department will not be eligible for admission even if seats are available. However, in the case of Scheduled Castes/Scheduled Tribes candidates, the eligibility condition is a minimum of 20% marks in the Entrance Test.

(viii)   Personal appearance of the candidate in counselling is mandatory for admission. The selected students will have to deposit their fee within two working days or as notified during counselling after the admission slip is issued failing which their seats will be declared vacant and will be allotted to the candidates next on the waiting list. However, the students selected for **B.Tech/M.TechProgrammes** will have to deposit their fee within two working days after the seat allocation.

(ix) All admissions will be provisional and liable to cancellation, if at any stage, any information furnished by the candidate is found to be fabricated or false.

(x) In case of any dispute, the decision of competent authority conducting the counselling/admission shall be final and binding on all.

(xi) Students intake can be increased at the time of admission with the approval of the competent authority of the University and seats for reserved categories will be subsequently calculated on the final tally of seats filled in case of increased intake.

10. **Discontinuation of a course:** If the number of candidates seeking admission to a programme is not adequate (minimum of 5 candidates in case of PG Programmes and 10 in case of UG Programmes) or due to administrative or other reasons, the University may decide not to offer the Programme, or may increase/decrease the number of seats of such a particular Programme at the time of admission.

11. **Fees and Fee concession:** For approximate University tuition fee for various programmes see Fee Structure in *Details of the Courses offered.*

(i) 10% of the students admitted, subject to maximum of 5, in each Programme may be considered for half-fee exemption under 'fee exemption to poor students' as per University rules.

(ii) Fee may be escalated to the tune of 5% every year for new admissions.

(iii) The University also offers a number of scholarships and awards to its students. For further details, see *Scholarships and Awards.*

12. **Refund of fee/security:** The following rules shall apply.

(i) If a candidate does not join the Programme and surrenders the seat after getting admission slip, the fee and funds deposited by such a candidate will be refunded after deducting processing charges of Rs.2000/-.

(ii) A candidate, who joins the Programme and attend class(es), even for one day, but subsequently surrenders the seat in writing, will be refunded tuition fee and funds after deducting fee and funds for three months.

(iii) A candidate is allowed to shift from one Programme to another Programme. For this purpose, fee and funds deposited by him/her will be adjusted after charging Rs. 5000/- (for each shifting) as shifting fee. These rules will be applicable for University Campus and Regional Campuses. However, shifting is not allowed after the admission process is over.

13. **Prohibition of Ragging:** Ragging of any type is strictly prohibited on the campus. Each student must follow the directives given in *Ragging: Prohibition, Prevention and Punishment.*

14. **Attendance:** The following general rules shall apply.

(i) 75% Attendance in theory and practical separately in each paper is mandatory.

(ii) If a student does not attend the classes continuously for fifteen days without any information to the Head of the Department concerned, his/her name is liable to be struck off the rolls of the Department. He/she may seek re-admission giving valid reason for his/her absence within next fifteen days failing which he/she will forfeit the right of re-admission.

(iii) A full-time student of a Programme is not allowed to join a full time job. Any student found doing this at any time shall be liable to lose his/her admission or degree even at a later stage. However, this shall not apply to students who have taken leave for study from their employers.

(iv) Admission to two full-time Programmes is not allowed simultaneously.

15. **Admission of Kashmiri students:** The following general rules shall apply.

(i) In case of Kashmiri migrants/Kashmiri Pandits/Kashmiri Hindus families (Non Migrants) students, the guidelines issued by the Ministry of Human Resource Development, Government of India and passed by the Syndicate of the University in its meeting held on 28.11.2019 vide Para No.5.6.shall be followed.

(ii) As per guidelines of the UGC two Supernumerary seats are available in each of the course being run by the University for Jammu & Kashmir candidates (approved in the Syndicate meeting held on 29.06.2015 vide Para No. 38.).

16. **Admission of outstanding artists'/sports persons:**

(i) In case of outstanding artists, the University shall create 15 additional seats which may be allocated to different departments on the recommendation of a committee constituted for the purpose by the Vice Chancellor.

(ii) In case of outstanding Sports persons (as per criteria approved by The Syndicate in its meeting held on 7.2.2018, vide Para no. 9.9, Annexure-II), 20 seats in Department of Physical Education (Teaching) and 2 seats in other Programmes are available for admission.

17. **Admission of Indian Army Personnel in P.G. Programmes (Approved by the Syndicate vide Item No. 5.6 of its meeting held on 10.2.2021):**

i. Two seats have been created for the Indian Army Personnel in each of the Postgraduate Programmes. These seats will be over and above the normal intake of these postgraduate courses except for programmes covered under the purview of the respective council's viz., Bar Council of India etc.

ii. The Admission of these Army Personnel will be subject to fulfilling the required eligibility criteria and qualifications. The Admission will be made on the basis of Entrance Test Examination as per counselling schedule or a separate Entrance Test may also be allowed to be conducted to accommodate leave schedule of these army personnel keeping in view of the nature and constraints of army services.

iii. The names of such army personnel shall be forwarded by the Indian Army along with the sanctioned leave for the duration of the Programme that he/she is willing to pursue in the University.

18. **Admission of Orphan Students (vide syndicate para No 5.1 dated 15.01.2024):**

Two Supernumerary seats have been created for Orphan Students vide syndicate para No 5.1 dated 15.01.2024 (one male and one female) in every academic program at both undergraduate and postgraduate levels to support orphan children and the University has committed to covering their admission and ongoing academic expenses, including hostel charges, utilizing the University Welfare Fund or College Student's Welfare Fund.

These seats will be over and above the normal intake. These programmes except for Programmes covered under the purview of the respective councils viz., Bar Council of India, Architect Council of India, Pharmacy Council of India etc.

Reservation Policy

(A) Reservation Policy in the University Teaching Departments/Regional Campuses for admission in UG and PG courses is as under :

Category	%age
(1) General	52%
(2) Schedule Caste	20%
(3) Backward Class	8%
(4) Ex-Serviceman/Ex-Serviceman(Dependent) : Ex-Serviceman/Ex-Serviceman(Dependent) General : 7% Ex-Serviceman/Ex-Serviceman(Dependent) SC : 4% Ex-Serviceman/Ex-Serviceman(Dependent) BC : 2%	13%
(5) Freedom Fighters (General)	1%
(6) Persons With Disabilities	3%
(7) Sports : Sports (General) : 2% Sports (SC) : 1%	3%

Explanations:-
 (4)   13% reservation is provided to ex-servicemen and their dependants by providing reservation within reservation of:

* 7% to General Category Ex-serviceman,
* 4% to Scheduled Caste Ex-serviceman and
* 2% to Backward Class Ex-serviceman.

This Horizontal reservation is applicable for admission to the various educational institutions of the Punjab Govt. :
a. As per instructions of Department of Social Justice, Empowerment & Minorities vide letter dated 22.10.2009, if Ex-serviceman is not available from SC category, then the seats will be filled from amongst SC (General) Category only.

b. As per instructions of Department of Social Justice, Empowerment & Minorities vide letter dated 03-01-2017, if Ex-serviceman is not available in Backward Category, then the seats will be filled from amongst Backward Category(General) only.

c. Further, if the seats still remain vacant which are reserved for Ex-serviceman, the conversion of seats may be done from Ex-servicemen to General at the time of physical counseling (i.e. vacant seats will be filled up on merit basis by the University).

(5) 1% reservation is provided to wards of Freedom Fighters :

However, in the event of quota reserved (1%) for Freedom Fighters category remains unutilized, the conversion of seats may be done from Freedom Fighters Category to General at the time of physical counseling (i.e. vacant seats will be filled up on merit basis by the University).

(6) 3% reservation is for the PWD only and it will not be further bifurcated into General, SC and BC i.e. an eligible PWD candidate (as per State disability norms) will be allotted the seat on the basis of the merit irrespective of its Category (General, SC or BC).

a. In the event of quota reserved for suitable category of disabled candidates remains unutilized (i.e. 1% for Blindness or low vision, 1% hearing impairment & 1% for locomotor disability or cerebral palsy), the unutilized seats benefit may be given to other suitable categories of PWD on merit basis i.e. seat share for blindness will be transferred to hearing or locomotor disability and vice versa.

b. In the event of quota reserved (3%) for Persons with Disabilities remain unutilized, the conversion of seats may be done from PWD to General at the time of physical counseling (i.e. vacant seats will be filled up on merit basis by the University).

(7) 3% reservation is provided to Sports category candidates which is further bifurcated horizontally into 2% reservation for Sports (General) and 1% for Sports (SC) :

a. As per instructions of Department of Social Justice, Empowerment & Minorities vide letter dated 22.10.2009, if Sports person is not available in SC category, then the seats will be filled from amongst SC Category (General) only.

b. However, (i) in the event of quota (2%) for General Category in the Sports Category remains unutilized, then the conversion of seats may be done from Sports Category (2%) to General Category at the time of physical counseling.

(ii) in the event of quota (1%) for SC Category in the Sports Category remains unutilized, then the conversion of seats may be done from Sports SC Category (1%) to General SC Category at the time of physical counseling.

While working out the percentage of seats in the Reserved Categories as per State reservation policy, if the number arrived at, contains a fraction, this shall be resolved as follows :

a. If the fraction is 0.5 or more, it shall be rounded off to 1; if it is less than 0.5, it shall be ignored. For instance: 2.4 seats would rounded off to 2 ; similarly 2.6 would be rounded off to 3.

b. After rounding up or down – if the total number of seats after making this adjustment exceeds the prescribed number fixed for the course, the necessary additional seats shall be created and considered as part of the total number of sanctioned seats. This shall, however, not affect the total number of seats in the General Category.

A roster register for reservation of seats for ex-servicemen/PWD/FF shall be maintained and carry forward all fractions through different fractions over the years till the accumulation of fraction is 0.5 or greater. As and when the total sum value of fractions exceeds to 0.5 or greater, a seat will be provided in that particular category. The carry forward, accumulation and rounding off cycle will go on and on.

Note: 1. The Inter-se priority for reservation to the wards of Armed Forces personnel for admission in education institutions will be as provided by the letter No. 6(1)/2017D (Res. II) dated 21.05.2018.
2. In case of Persons with Disability seeking admission in educational institutions there will be a relaxation of 5 years in the upper age limit where ever applicable.

2.(B) Common Weightage Admission Policy in the University Teaching Departments/Regional Campuses is as under:

Weightage (UG only)						
NCC	A	B		C		
	1%	2%		3%		
NSS	Grade			Position		
	O	A	B	1st	2nd	3rd
	1%	1%	NA	1%	1%	NA
Youth Activities (Maximum 4% Weightage)						
Advance Youth Leadership Training Camp youth		1%				
Youth leadership training camp		1%				
Advanced mountaineering		1%				
Hiking Training		1%				
Mountaineering		1%				
Cultural Activities(Maximum 3% Weightage)						
Zonal Youth Festival		1%				
University Level Youth Festival		1%				
Inter University National Youth Festival		1%				

- The above said State Reservation Policy & Common Weightage Policy-2021 will be applicable for admission in UG and PG Courses from the academic session 2024-25.

The reserved categories i.e. SC, BC, Freedom Fighter & Sports will be open for Punjab Resident candidate only.

Clause -3 What constitutes Ragging: -

Ragging constitutes one or any of the following acts:-

Any conduct by any student or students whether by words spoken or written or by an act which has the effect of teasing, treating or handling with rudeness a fresher or any other student.

Indulging in rowdy or indiscipline activities by any student or students which causes or is likely to cause annoyance, hardship, physical or psychological harm or to raise fear or apprehension thereof in any fresher or any other student;

Asking any student to do any act which such student will not in the ordinary course do and which has the effect of causing or generating a sense of shame, or torment or embarrassment so as to adversely affect the physique or psyche of such fresher or any other student.

Any act by a senior student that prevents, disrupts or disturbs the regular academic activity of any other student or a fresher;

Exploiting the services of a fresher or any other student for completing the academic tasks assigned to an individual or a group of students.

Any act of financial extortion or forceful expenditure burden put on a fresher or any other student by students;

Any act of physical abuse including all variants of it: sexual abuse, homosexual assaults, stripping, forcing obscene and lewd acts, gestures, causing bodily harm or any other danger to health or person;

Any act or abuse by spoken words, emails, post, public insults which would also include deriving perverted pleasure, vicarious or sadistic thrill from actively or passively participating in the discomfiture to fresher or any other student;

Any act that affects the mental health and self-confidence of a fresher or any other student.

with or without an intent to derive a sadistic pleasure or showing off power, authority or superiority by a student over any fresher or any other student.

Clause -7 Action to be taken by the Head of the institution: -

On receipt of the recommendation of the Anti-Ragging Squad or on receipt of any information concerning any reported incident of ragging, the Head of Institution shall immediately determine if a case under the penal laws is made and if so, either on his own or through a member of the Anti-Ragging Committee authorized by him in this behalf, proceed to file a First Information Report (FIR), within twenty four hours of receipt of such information or recommendation, with the police and local authorities, under the appropriate penal provisions relating to one or more of the following, namely;

i	Abetment to ragging;
ii	Criminal conspiracy to rag;
iii	Unlawful assembly and rioting while ragging;
iv	Public nuisance created during ragging;
v	Violation of decency and morals through ragging;
vi	Injury to body, causing hurt or grievous hurt;
vii	Wrongful restraint;
viii	Wrongful confinement;
ix	Use of criminal force;
x	Assault as well as sexual offences or unnatural offences;
xi	Extortion;
xii	Criminal trespass;
xiii	Offences against property;
xiv	Criminal intimidation;
xv.	Attempts to commit any or all of the above mentioned offences against the victim(s);
xvi.	Threat to commit any or all of the above mentioned offences against the victim(s);
xvii.	Physical or psychological humiliation;

All other offences following from the definition of "Ragging"

Provided that the Head of institution shall forthwith report the occurrence of the incident of ragging to the District Level Anti-Ragging Committee and the Nodal officer of the affiliating University, if the institution is an affiliated institution.

Provided further that the institution shall also continue with its own enquiry initiated under clause 9 of these Regulations and other measures without waiting for action on the part of the police/local authorities and such remedial action shall be initiated and completed immediately and in no case later than a period of seven days of the reported occurrence of the incident of ragging.

Clause -9 Administrative action in the event of ragging: -

9.1   The institution shall punish a student found guilty of ragging after following the procedure and in the manner prescribed herein under: -

a)   The Anti-Ragging Committee of the institution shall take an appropriate decision, in regard to punishment or otherwise, depending on the facts of each incident of ragging and nature and gravity of the incident of ragging established in the recommendations of the Anti-Ragging Squad.

b)   The Anti-Ragging Committee may, depending on the nature and gravity of the guilt established by the Anti-Ragging Squad, award, to those found guilty, one or more of the following punishments, namely;

i   Suspension from attending classes and academic privileges.
ii   Withholding/withdrawing scholarship/fellowship and other benefits.
iii   Debarring from appearing in any test/examination or other evaluation process.
iv   Withholding results.
v   Debarring from representing the institution in any regional, national or international meet, tournament, youth festival etc.
vi   Suspension/expulsion from the hostel.
vii   Cancellation of admission
viii   Rustication from the institution for period ranging from one to four semesters.
ix   Expulsion from the institution and consequent debarring from admission to any other institution for a specified period.

        Provided that whether the persons committing or abetting the act of ragging are not identified, the institution shall resort to collective punishment.

c)   An appeal against the order of punishment by the Anti-Ragging Committee shall lie,
i   In case of an order of an institution, affiliated to or constituent part, of a University, to the Vice Chancellor of the University.
ii   In case of an order of University, to its Chancellor
iii   In case of an institution of national importance created by an Act of Parliament, to the Chairman or Chancellor of the institution, as the case may be.

(b) **The degree programmes offered under Five Years Integrated Programme (FYIP) in Computer Science & Engineering after Senior Secondary Examination (10+2):**
- B.Tech(Computer Science & Engineering) (4 years duration)
- M.Tech. (Computer Science & Engineering)(FYIP) (5 years duration)

The Students admitted to Five Years Integrated Programme (FYIP) in Computer Science & Engineering will be awarded degrees of **B.Tech (CSE) (4 years duration) and M.Tech(CSE) (5 years duration)** with following exit options :

i. The eligible students, who successfully complete 4 years (8 semesters) of Five Year Integrated Programme (FYIP) in Computer Science & Engineering will be awarded degree of **B.Tech** (Computer Science & Engineering) and will have an option to exit the programme.

ii. The eligible students will be awarded **M.Tech (Computer Science & Engineering)** after successfully completing 5 years (10 semesters) of Five Year Integrated Programme.

Competency Development
The curriculum of **M.Tech in Electronics and Communication Engineering** focuses mainly on the analysis and designing of advanced communication systems. It involves researching, designing, developing and testing of latest communication systems. To augment their skills further , the students undergo research work for 6 months where they apply advanced level knowledge, techniques, skills and modern tools in the field of Communication systems and sub areas such as wireless communication, nano-electronics, photonics, signal processing, advanced digital and microwave communication systems. The research work helps them to respond to global policy initiatives and meet the emerging challenges with sustainable technological solutions in the field of communication systems. This empowers the students for higher education such as PhD. and undertakes various MHRD projects.

The aim of **M.Tech in Computer Science and Engineering** is to equip students with knowledge in both advanced concepts of core programmes and specialized subjects related to upcoming technologies. The objective is to equip students with skills that enable them to pursue a career in Research and Development, Academics, and as professionals in computer science for national and international organizations. The goal is to empower students to develop an entrepreneurial mind set and demonstrate their leadership and technical abilities in adapting to the challenges posed by emerging technologies. The students have a mandatory research work where they apply modern tools and technologies, advanced level knowledge, techniques and skills. The graduates are able to analyse the research problems to find possible solutions to meet the IT Industry requirement. The students after completion of their programme can also apply for doctoral programmes and undertake various research projects.

Learning Outputs

- To learn advanced fields and undertake research in communication systems.
- To apply knowledge and skills in industrial, academic or research career with creativity, commitment and social consciousness.
- To understand the latest technological advancements and employ modern tools to analyze and design subsystems or processes for various applications.

Competency Development:

The curriculum of **B.Tech (Computer Science &Engineering)** is designed considering the needs of IT industry. In the first year of this programme, students learn the fundamentals of engineering and gradually in subsequent years they are taught with the core competencies and skill enhancement programmes. To make the students industry ready, programme includes a mandatory project development and industrial training for 5-6 months duration in the last semester that boosts up the employability of students and make them familiar with the work environment. After, completion of the four year degree programme, the graduates are well trained to design, implement and evaluate a computer oriented system, process and program to meet the IT industry requirements. They can easily apply knowledge of computation and mathematical approaches according to their desire outcomes. The students can also opt to pass National level exams (UGC-NET/GATE) for pursuing higher education.

B.Tech. (Electronics & Communication Engineering) provides a strong foundation in theoretical, practical and design aspects of Electronics and Communication Engineering. The curriculum covers all areas of electronics and communication engineering under the broad categories of electronic circuits, electronic devices, signal processing and communication. The industrial training is offered for 4 weeks in 4th semester and 6 months in 8th semester to familiarize the students for the industrial environment. The curriculum is designed to prepare the students for GATE/ National exams for higher education programmes and for placements in eminent international/ National companies.

The curriculum covers all areas of electronics and computer engineering under the broad categories of electronic devices and circuits, programming languages, machine learning, IOT, AI and communication. The students are able to design and implement a computer-oriented system to meet the needs of IT/communication industry. The graduates are able to apply Electronics and Computer Engineering based techniques to design system for its adaptation in multi-disciplinary environments. The industrial training is offered for 4 weeks at the end of 4th semester and 6 months in 8th semester to inculcate the industrial environment acumen in the students. The curriculum is objectively designed to prepare the students for GATE/ National Level exams for higher education programmes and placements in eminent international/ National companies.

Learning Outputs

- To learn fundamental of Engineering as well as core and advanced programmes of computer Science.

- To understand the professional responsibilities and have ability to make judgments in cyber and other security activities based on social and ethical principles.

- To handle technical responsibilities pertaining to legal, cyber security, professional and common social issues.

- To learn designing, implementation and testing analogue and digital electronic circuits, microprocessor systems, signal processing, communication, networking, VLSI and embedded systems applications.

- To apply the fundamental and advanced concepts of electronics and computer engineering for analyzing, design, development and implementation of various systems and applications.

- To learn professional ethics and be able to carry out the professional and entrepreneurial responsibilities in the field of communication, electronics and computer engineering field.

Eligibility: (a) B.Tech. Lateral Entry (Computer Science & Engineering)
1. (i) For admission to B.Tech. Programme under lateral entry scheme, the candidates must have passed two years Diploma after 10+2 or three years Diploma after matriculation examination in the relevant subject (Computer Science & Engineering/Computer Engineering/ Information Technology) from a State Technical Board. The candidate must have obtained 50% (45% for SC) marks as aggregate in the Diploma programme. Such candidates can be admitted in second year of B.Tech. programme.
 (ii) All those candidates who have passed B.Sc. Degree from a recognized University as defined by UGC, with at least 50% marks (45% in case of candidates belonging to SC category) and passed XII standard with Mathematics as a subject shall be eligible to apply
(a) Students who have passed B.Sc. Degree from a recognized University as defined by the UGC, shall clear the subject of Engineering Graphics/ Engineering Drawing and Engineering Mechanics of the first year engineering program along with the second year programmes.
(b) Students belonging to B.Sc. Stream may further note that they shall be considered only after filing the supernumerary seats in this category with students belonging to Diploma stream.
   3. Candidates who have appeared are appearing in the qualifying Diploma examination to be held during the current session shall also be eligible for submission of admission form but they will have to pass the Diploma before the date of counseling, otherwise, they will not be considered for admission. Such candidates will not have any claim, whatsoever, with regard to the admission to the programmes.

(b) B.Tech. Lateral Entry (Electronics & Communication Engineering) &

B.Tech. Lateral Entry(Electronics & Computer Engineering)

1. i)For admission to B.Tech. programmes under lateral entry scheme, the candidates must have passed two years Diploma after 10+2 or three years Diploma after matriculation examination in the relevant subject (Electronics or Electronics & Communication Engineering or Electronic Communication System Engineering or Electronics & Electrical Engineering or Instrumentation Engineering) from a State Technical Board. In case of B. Tech. (Electronics & Computer Engineering), the candidates passed diploma in the field of Computer Science/ Computer Science & Engineering/Computer Engineering/ Information Technology are also eligible. The candidate must have obtained 50% (45% for SC) marks as aggregate in the Diploma programme. Such candidates can be admitted in second year of B.Tech. programme.

Salient features of the Department of Engineering and Technology

i) **Core Competencies**

The Department of Engineering and Technology imparts competencies in all the major areas of Computer, Electronics and Communication Engineering viz. Artificial Intelligence, Internet of Things (IoT), Machine Learning, Wireless/Optical Communication and Networks, Nano-Electronics, Biomedical Signal Processing, Network Security, Cloud Computing, Big Data etc.

The Department facilitates its students to use the various state-of-the-art facilities for Devices and Circuits Lab., Digital Electronics Lab, Communication Systems Lab, Microprocessor lab, Measurement lab, Instrumentation lab Printed Circuits Board Lab and Electronic Design Automation lab. Research software's including Octave, NetSim, Virtual Nano Lab, Optisystem, Biopac^{TM} , Aneka etc. serve as innovative ground to add another dimension of skill in the students.

ii) **Niche Areas**

Department is graced with a distinguished and highly qualified faculty. The department also facilitate the Research& Development activities in the following spheres:

- Artificial Intelligence, Internet of Things (IoT) & Machine Learning.

- Wireless/Optical Communication and Networks.
- Nano-Electronics & Electronic Devices.
- Biomedical Signal Processing, Biomedical Instrumentation.
- Programming/Network Security & Cryptography.
- Cloud Computing, Big Data.

iii)   Special Features

The department is a part of Faculty of Engineering and Technology, and since its inception, it has been actively engaged in promoting technical education in the fast growing fields of Information and Communication Technology. The Department provides a well-designed programmes curriculum that facilitates a unique blend of theory and practical to help students assimilate the subject thoroughly. The curriculum stresses on developing analytical skills, communication, problem-solving and team work abilities.

Labs are equipped with high end tools and instruments, for hands-on experience to assimilate theoretical knowledge. The Computer Labs are well equipped with latest PCs supported with internet connectivity through leased line. For the practical understanding and exposure of the technology, students are encouraged to take up projects in diverse areas related to Engineering and technology. The students are also motivated to participate in various co-scholastic activities like mock campus interviews, Group discussions, and seminars to hone Soft-Skills and enrich their personalities. The N.S.S. unit actively organizes camps of Blood Donation, Tree Plantation and Aids Awareness etc.

Excellent campus placements have been achieved by the collaborative efforts of the centralized Placement cell, faculty and students of the university.

Department of Journalism & Mass Communication

TEACHING FACULTY

Associate Professor	Assistant Professor
Dr.Namarta Joshi, Ph.D (Head)	Dr.Charan Kamal Walia, Ph.D

The degree programmes offered under Journalism and Mass Communication Five Years Integrated Programme (FYIP) after Senior Secondary Examination (10+2):

- **B.A. Journalism & Mass Communication (3 Year duration)**
- **B.A. (Honours) Journalism & Mass Communication (4 Year duration)**
- **B.A. (Honours with Research) Journalism & Mass Communication (4 Year duration)**
- **M.A. Journalism and Mass Communication (FYIP) (5 year duration)**

The Students admitted to Five Years Integrated programme in Journalism & Mass Communication will be awarded degree of B.A. Journalism & Mass Communication (3 year duration), B.A. (Honours) Journalism & Mass Communication (4 Year duration), B.A. (Honours with Research) Journalism & Mass Communication (4 Year duration) and M.A. Journalism and Mass Communication (FYIP) (5 year duration) with following exit options:

i. The eligible students, who successfully complete 3 year (6 semesters) of Five Year Integrated programme will be awarded degree of B.A. Journalism & Mass Communication and will have an option to exit the programme.

ii. The eligible students with equal to or more than 7.5 CGPA in B.A. degree (3 year duration), who opt for research in the 4th year of Five Year Integrated programme will get B.A. (Honours with Research) Journalism & Mass Communication after successfully completing 4 year (8 semesters) of Five Year Integrated Programme and will have an option to exit the programme.

iii. The eligible students with equal to or more than 7.5 CGPA in B.A. degree (3 year duration), who do not opt for research in the 4th year of Five Year Integrated programme will get B.A. (Honours) Journalism & Mass Communication after successfully completing 4 year (8 semesters) of Five Year Integrated Programme and will have an option to exit the programme.

iv. The eligible students with equal to or more than 7.5 CGPA in B.A. degree (3 year duration), will not be offered option for research in the 4th year of Five Year Integrated programme will get B.A. (Honours) Journalism & Mass Communication after successfully completing 4 year (8 semesters) of Five Year Integrated Programme and will have an option to exit the programme.
